

Flora and Fauna

The flora and fauna of Parc nou is very varied. There are a lot of plants species, and each one comes from a different climate, there are some ones that have a Mediterranean climate, tropical climate...

HERE YOU CAN SEE
MORE

Conserving

To preserve the park we:

- Must put the litter in the bins
- We musn't smoke when we are in the park

What we can do in Parc Nou?

In Parc Nou we can:

- Take a walk
- Walk the dog
- Play football
- Meet friends

PARC NOU

of Mataró

Done by: Roser, Ares, Lucas
and Ian

*What is Parc
Nou?*

Parc Nou is a very big green space
that is situated in the center of the
city.
It is very beautiful.

Access

There are ramps for those with
reduced mobility and there are
swings for disabled children.
